

*It happened a year ago.
I wanted to lose weight.
So I decided to go
on a diet.*

*But the trouble was
that soon I
started feeling ill.*

*Things went so wrong
that I had to see a doctor.*

*How are you
feeling,
Ms Jedemskiene?*

*...besides, I
feel dizzy.*

*And
how is your
appetite?*

Well... You see,
it's all right,
but...er... I can't eat as
much as I would like
to...

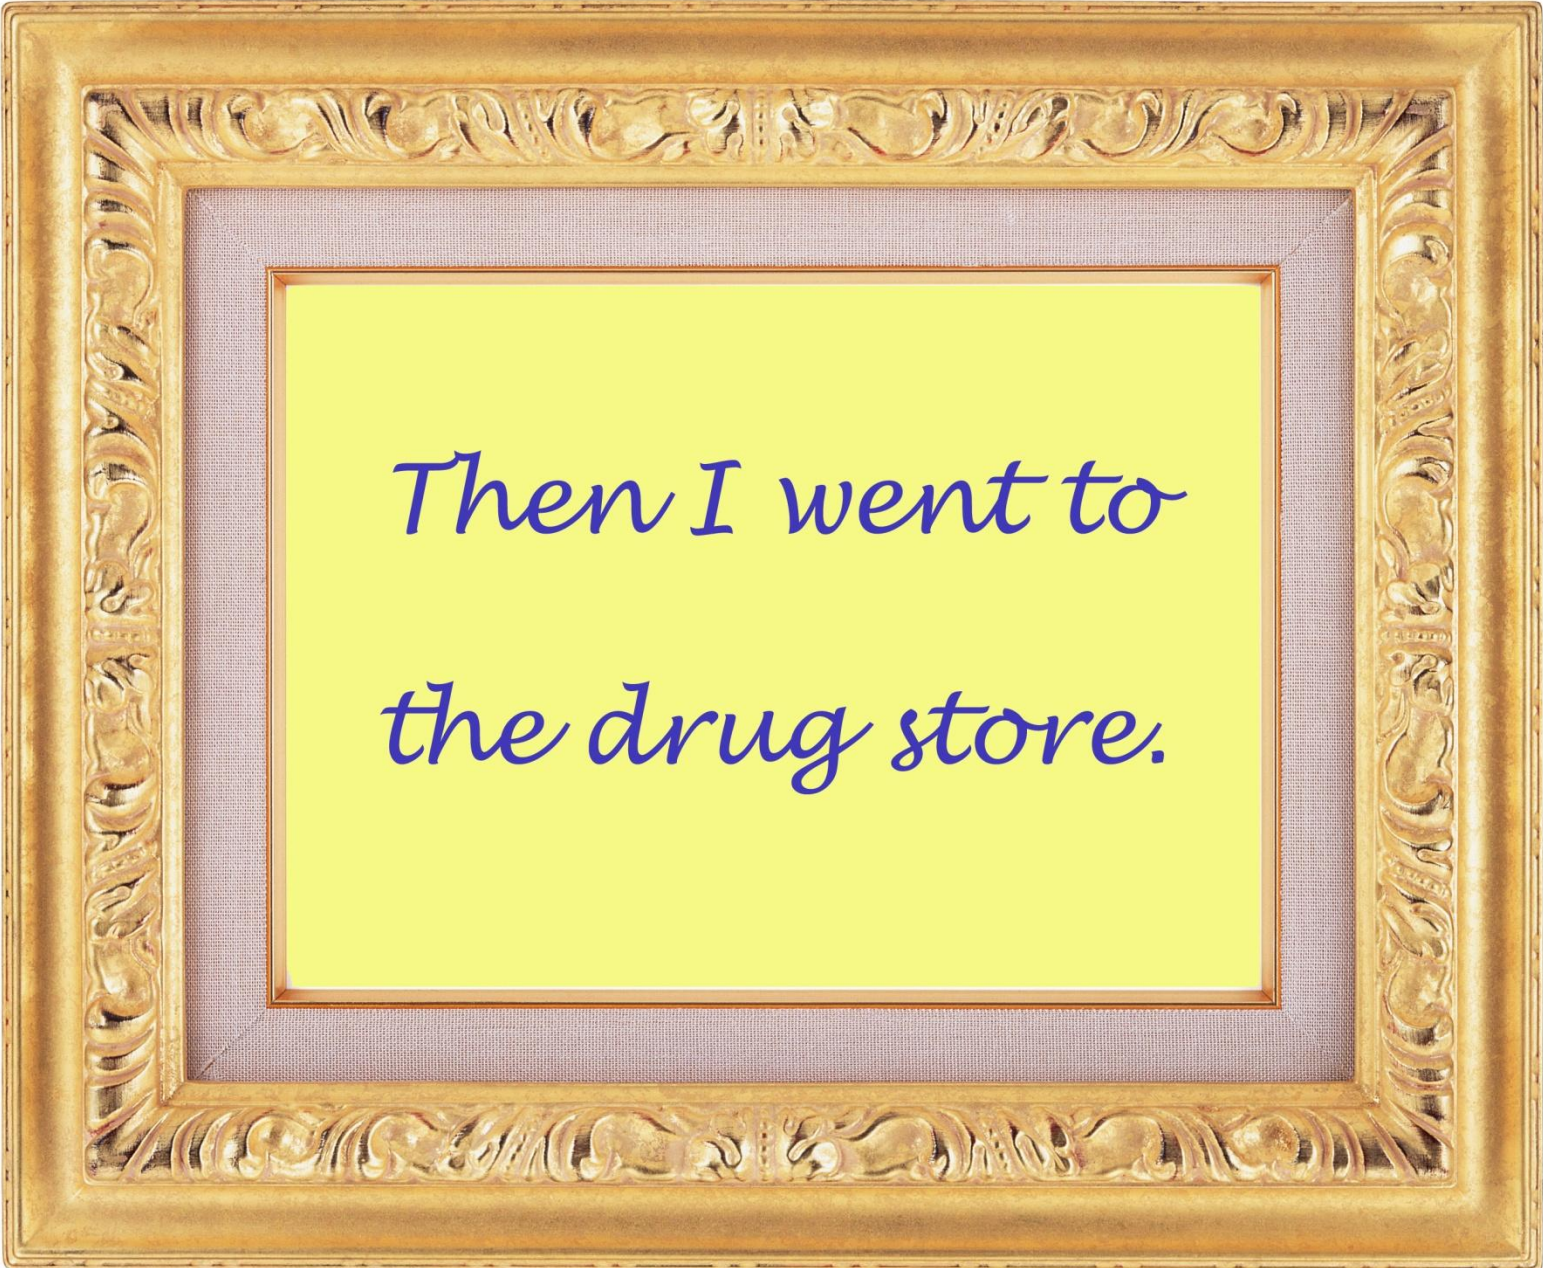

Why not?
What's the matter?

I am on a
diet.

*Then I went to
the drug store.*

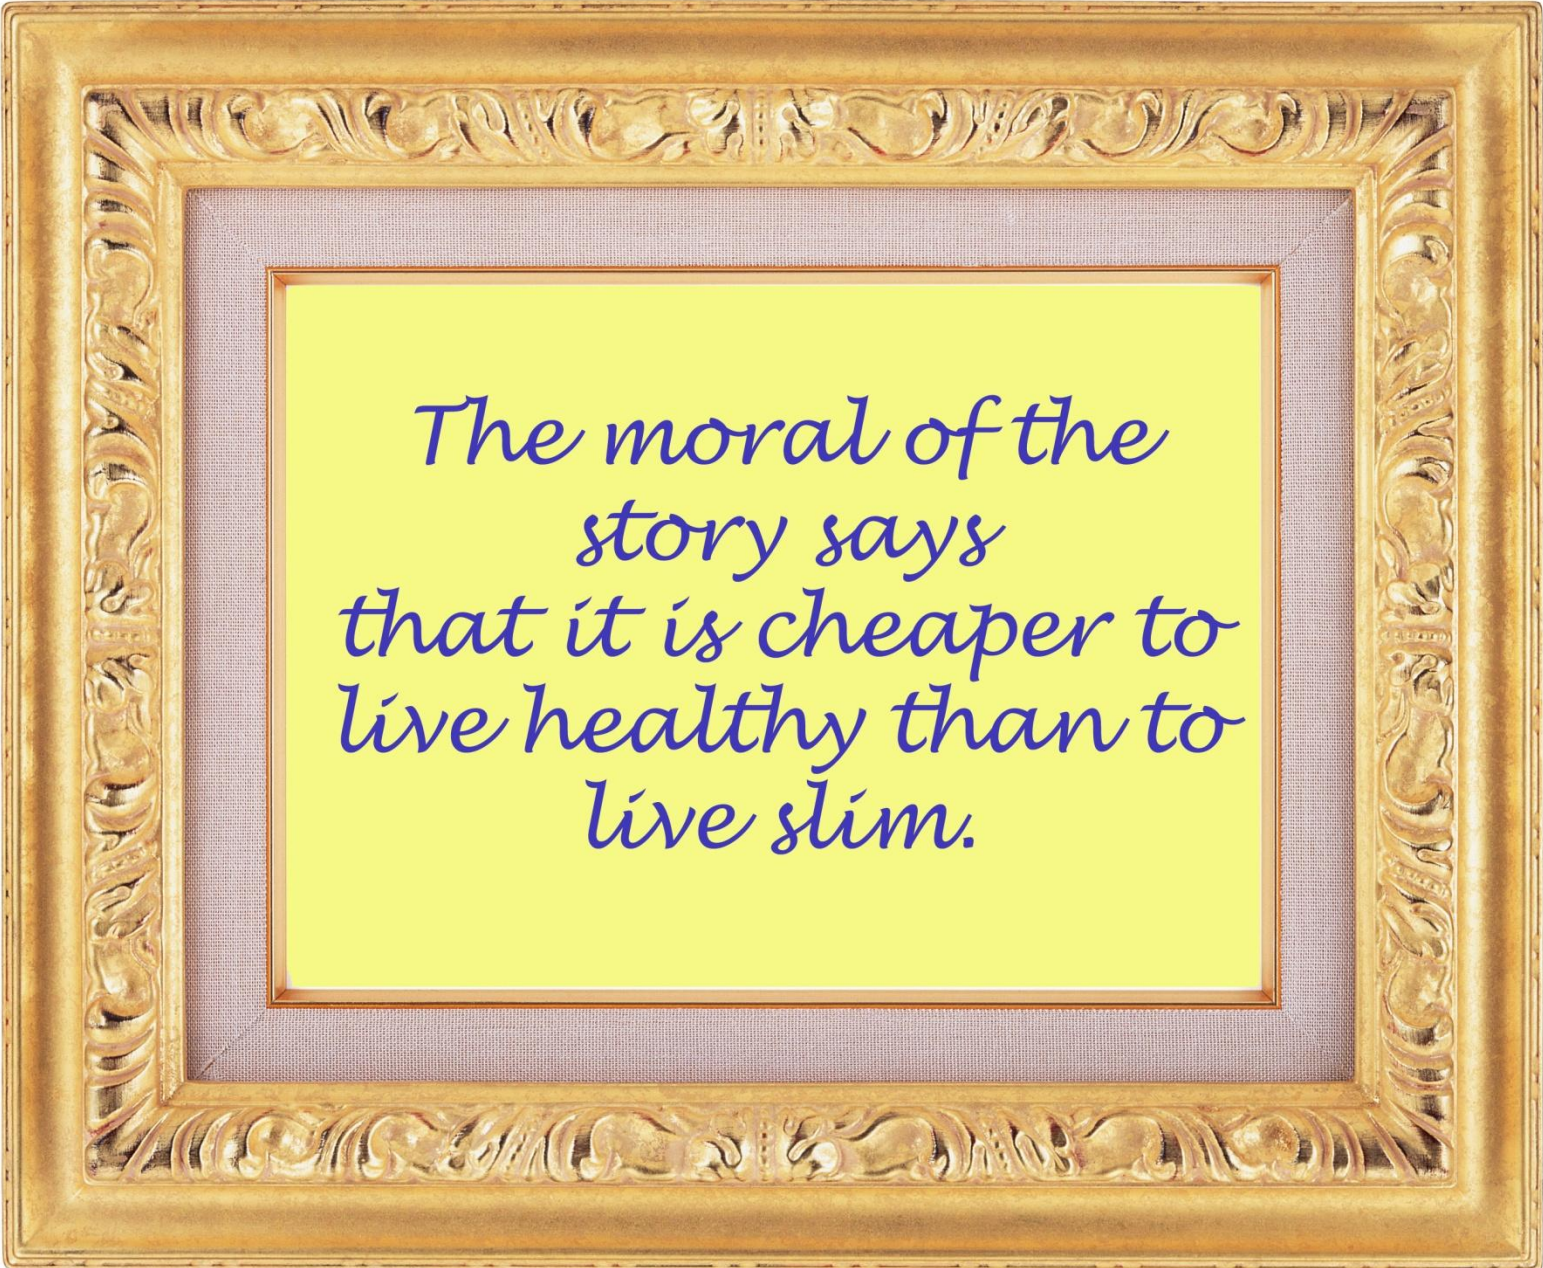

Here
you are.

How much
does it cost?

Oh,
my goodness!

*The moral of the
story says
that it is cheaper to
live healthy than to
live slim.*
