

LEARNING WITH SIGNS

Signs, signposts, posters, notices, labels, signboards, placards... are part of our lives.

They can be used as a tool for learning.

Let's have a look!

- ♠ Try to guess the missing text in the signs.
- ♠ Match the signs and their legends.
- ♠ Watch the slides and check.
- ♠ Comment grammatical aspects: tense and vocabulary used.
- ♠ Which sign caught your attention most? Why?
- ♠ Create your own signs referring to a topic:
International Day of Women, Book Day, Environment Day,
Human Rights Day, Peace and Non-violence Day...
